### **The problems of migration, record and vaccination of the UK population in the era of urbanization**

***O. Kamalova, E. Sklyarova***

*The problems of migration, record and vaccination of the UK population in the era of urbanization are considered. The prevention of medical and social problems in the era of epidemic and urbanization, the growth of migration and mortality of the population became the object of a number of social studies of the Parliament, leading to the development and adoption of new laws in Great Britain. They have become a factor in the formation of social policy in the United Kingdom in the era of urbanization, improvement of vaccination methods, urban health care and population registration.*

**Keywords:** *urbanization, migration of population, vaccination, social policy, public healthcare, Great Britain, Ireland*
