On philosophical personalism within the framework of philosophical theism and the significance of reading Schelling by A.F. Losev

V. Ter-Arakelyants, A. Yukhno

The article examines the main stages and forms of Western philosophical personalism, starting with Jacobi's opposition to impersonalist pantheism, Schelling's role in the formation of modern personalism, as well as Schelling's influence on the fundamental justification of personalism within the framework of Losev's philosophical theism.

Keywords: *impersonalist pantheism, Christian theism, atheistic personalism, absolute idealistic personalism, theistic personalism, essence and its expression, potentials and potentiality, philosophical theism*
