### Delegation of powers in the Russian Federation: organizational problems

*M. Basnukaev, R. Basnukaev*

*In the context of the crisis caused by the epidemiological situation in the country, the volume of social support for the population inevitably increases, the mechanism of delegation of authority acts as an instrument for the effective implementation of the state's social policy. In this regard, the study of the problems of the existing mechanism of delegation of authority is of particular importance. The purpose of the study is to study the organizational problems of the implementation of delegated powers on the territory of the Russian Federation. The practical significance of the work is that the results obtained can be used to further improve the mechanism for delegating federal powers.*

**Keywords:** *delegation of authority, problems of delegation, control, regulatory legal acts*
